TELL PEOPLE HOW YOU FEEL

From a young age, I loved mail. Brightly colored envelopes with sentiments from a loved one. I have a box filled with these, many from relatives long gone. They give you something tangible to cling to in times of need and reflection. I'm a sentimental fool at heart, and that inspires my illustrations. Each design has a story and hidden meanings. I hope you enjoy my work and it brings a little beauty and humor to your shop.
